LPC Dual Port

This unique connector allows dual connection to both cellular and satellite frequencies. As with the other LPC connectors it caters for offset mating.

The LPC Dual Port is surface mountable, easy to assemble and very robust. It is 100% inspected and packed in tape and reel packaging.

Materials and Finishes

Shell

Brass, Gold Plated

Upper Insulator Lower Insulator Black LCP Black LCP

Signal Contact

Beryllium Copper, leg inserted with Brass Pin, Gold Plated
