

ViewSonic®

VG171/VG171b LCD Display

Feature-rich, yet cost effective 17-inch LCD.

Ideal for corporate customers, the ViewSonic VG171 and VG171b LCD displays feature a DVI interface which simplifies installation and guarantees the image quality is optimized without adjustments. The built-in OptiSync™ technology allows both models to display digital and analog formats, utilizing today's digital technology yet allowing for backward compatibility. And, these 17-inch LCD displays come with ViewSonic's 24/7 toll-free technical support*. For today's corporate user, the ViewSonic VG171 and VG171b offer a complete benefits package.

- **OPTISYNC** technology

This multi-mode input technology supports both digital (DVI) and analog (VGA) signals. The digital interface delivers optimized image quality with minimum adjustments.

- **Full 17" viewable screen**

Displays a native resolution of 1280 x 1024 for incredible detail and clarity. Lower resolutions are scaled to full screen using a third-generation processor with variable sharpness control.

- **OSD/Power Lock**

Prevents accidental misadjustments of OnView® controls to maintain optimized image quality.

- **OnView controls**

Screen adjustments are made via the on-screen menu with user-friendly four-button navigation.

- **Anti-glare screen treatment**

Cuts reflected light and delivers enhanced contrast for improved legibility and superior color saturation.

- **Slim 2.7" profile (panel only)**

- **Weighs only 14.3 pounds**

ViewSonic®

VG171/VG171b LCD Display

VG171 beige case version.

- **ViewSonic Wizard**

This software provides user-friendly installation. The included CD-ROM automates the set-up process to deliver optimized screen performance.

- **Plug & Play†**

- **TCO and Energy 2000 compliant**

This monitor complies with the world's strictest standards for low radiation, safety, ergonomics, recycling and power management.

- **Kensington® lock ready**

Protect your assets with this attachment point for an anti-theft cable.

- **Three-year limited warranty**

- **Turn your LCD into a high-resolution TV**

Easily hook up favorite extras like a DVD, VCR, or digital camera with the VB50HRTV TV tuner module.

VG171/VG171b LCD Display
