

Milli-Grid 2.0mm Header

87338 Series Slip-Off Vertical Header

- 4 - 20 circuits
- Glass filled polyester, UL 94V-0, black
- 0.5mm square brass pins
- Housing is "slipped-off" or removed from header pins after wave soldering
- For PCB thickness $0.89 \pm 0.13\text{mm}$
- End-to-end stackable
- Mates with Milli-Grid 2.0mm receptacles
- Tray packaging
- Options: - Void pin version
- Other PC tail length

Recommended PCB Layout
