

724 5210

ALU-STAR Profile System Accessories

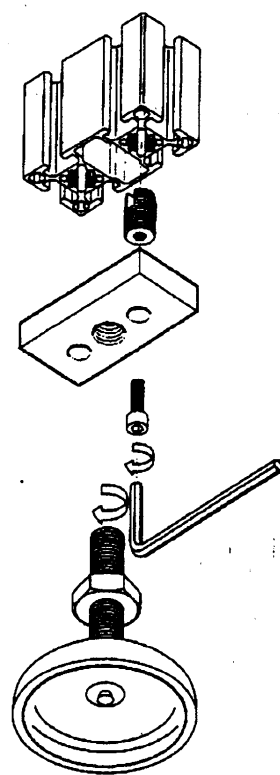

Footplates

Material steel, galvanized

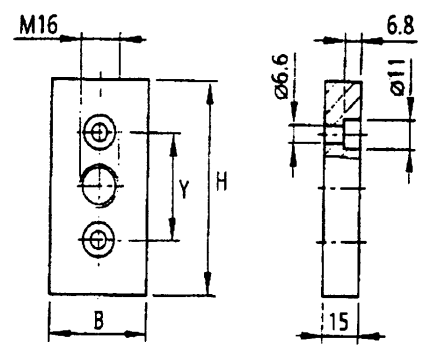

These footplates can be used to accommodate adjustable footpads or castors and fix them to 50 x 100 or 40 x 80 profiles.

A 2 x M6 mounting kit is needed to mount the footplates to the profiles.

An insert driver is required. See "Tools".

Footplate dimensions			Number of holes
B	H	Y
