

TWEEZERS

A range of high quality stainless steel tweezers, designed to meet the requirements of the electronics and precision engineering industries.

Material: Anti-Magnetic, Anti-Acid steel

1PK-102T	Super fine tip straight (110mm)	
No.5	• Non-magnetic	
1PK-104T	Fine tip curved (110mm)	
No.7	• Non-magnetic	
1PK-105T	Fine tip straight (140mm)	
No.S.S	• Non-magnetic	
1PK-112T	Extremely fine and sharp Tip (120mm)	
No.AA	• Non-magnetic	
1PK-125T	Fine tip straight (120mm)	
No.00	• Non-magnetic	
1PK-101T	Anti-static (110mm)	
	• Non-magnetic	
1PK-110T	Cutting tweezer (115mm)	
	• Non-magnetic	
1PK-115T	Long nose tweezer (200mm)	
	• Non-magnetic	
1PK-106T	Univerasl tweezer (140mm)	
No.67	• Magnetic	
1PK-108T	Reverse action tweezer (self-gripping) (160mm)	
No.60	• Magnetic	
1PK-117T	Cross-Leg Soldering tweezer (160mm)	
	• Non-magnetic • With fiber handle	
1PK-118T	Heavy duty tweezer (160mm)	
	• Non-magnetic • With fiber handle
