Data Jumper Box Kits - Have a PC Board to Simplify Data Line Adaptor Design

Every pin of the Male or Female D-Subminiature Connector terminates to solder pads with drilled holes on each end of the adaptors' PC board to make it easy for you. Supplied with (10) wires already stripped and tinned for permanent wiring to suit your needs. Many interfaces can be built such as null modems, pin reversers, etc. Supplied with a universal PC board already soldered in place, includes snap-on covers and appropriate connector hardware. No labels.

DJB9MF	9 Pin Jumper Box Kit, Gray Plastic	Male / Female	9.25	8.51	7.77
DJB15MF	15 Pin Jumper Box Kit, Gray Plastic	Male / Female	10.45	9.61	8.78
DJB25MF	25 Pin Jumper Box Kit, Gray Plastic	Male / Female	11.65	10.72	9.79

Deluxe Data Jumper Box Kits - Feature Exclusive Metal Case for Rugged Uses

The DJBS Series provides the easiest way to customize EIA232 interface devices. All 25 pins of the DB25 connector terminations are already soldered to the PCB. The board layout, with numbered traces and predrilled holes, makes it easy to wire your own adaptor. The 20 pre-stripped connection jumpers are supplied, more than you need to solder for permanent wiring. Many interfaces can be built such as, null modems, pin reversers, you name it. Metal chrome covers provide shielding and the most compact case size possible. Appropriate hardware is provided with each unit.

DJBS	EIA232 Jumper Box, Metal Shell	Male / Female	12.65	11.64	10.63
DJBS-F	EIA232 Jumper Box, Metal Shell	Female / Female	12.95	11.91	10.88
DJBS-M	EIA232 Jumper Box, Metal Shell	Male / Male	12.75	11.73	10.71

Plastic D-Sub Half Cover Pair - Popular Accessory to Assemble Custom Adaptors

Your choice of D-Sub half cover pairs to satisfy most of your custom adaptor requirements. The DHP is the typical cover in gray or black, of UL94V-O rated material. Supplied with appropriate hardware to allow for male/female or male/male cable connections. For female/female applications, you'll need two (2) additional hex standoff (page 115).

DHP9G	Half Cover (pr) for DB9, Gray Plastic		1.95	1.79	1.64
DHP15G	Half Cover (pr) for DB15, Gray Plastic		2.25	2.07	1.89
DHP25G	Half Cover (pr) for DB25, Gray Plastic		2.45	2.25	2.06
DHP9B	Half Cover (pr) for DB9, Black Plastic		1.95	1.79	1.64
DHP15B	Half Cover (pr) for DB15, Black Plastic		1.60	1.47	1.34
DHP25B	Half Cover (pr) for DB25, Black Plastic		2.25	2.07	1.89

All Metal DB25 Half Cover Pairs - Satisfy the Need for Being Compact and Rugged

Special design provides a smart look in DB25 adaptor creation. All steel to take much abuse, with a heavy chrome plate to add attractiveness. Snaps together and comes apart easily. Supplied with appropriate cable connector fastening hardware for male/female connections. See page 115 for additional hardware.

DHS25	Half Cover (pr) for DB25, Nickel Plated Steel		2.45	2.25	2.06
