

POB SERIES RF CO-AXIAL CONNECTORS

Connectors for flexible cables

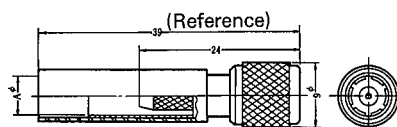

Connectors for flexible cables include those which match RG-55/u, RG-142B/u and 3D-2W (Irrax cables) and those which match RG-58/u. Incidentally, 3D-2W (Irrax cables) are not the same as the 3D-2W cables in the JIS standards or the NTT specifications. Cables with dimensions shown on P.139 should be purchased from Sumitomo Electric Industries, Ltd.
