

Pin headers

32 way - 0.64 x 0.6 mm + 1.5 x 0.8 mm pin header

Features

- Stitch-in pin headers
- Compatible with CMC interface
- Several colours available
- Mechanical polarization

Performance characteristics

- Temperature range:
from -40°C to +165°C
- Contact pull out force: > 20 N

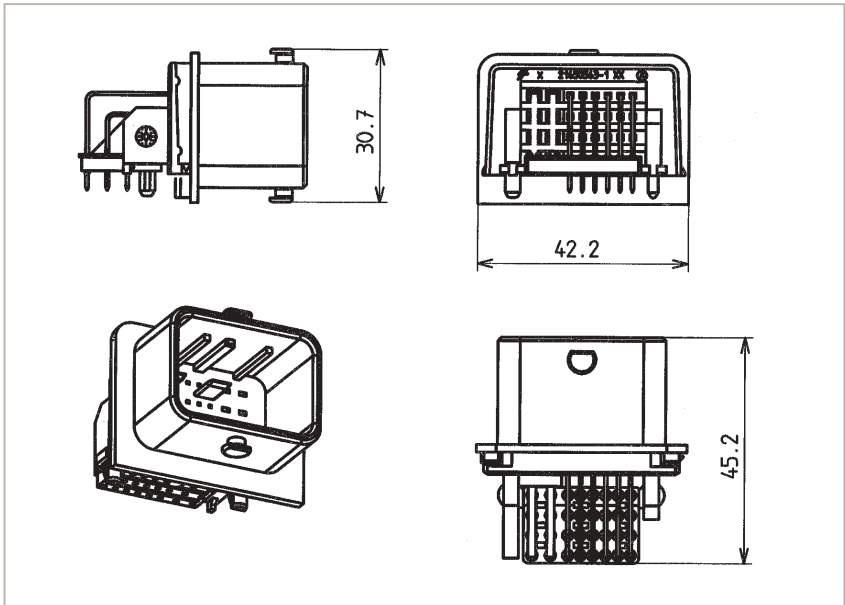

Construction

- Housing material: PBT
- Tab material and plating:
CuZn30/Sn

Connector compatibility

- Usable terminals:
1.5 x 0.8 and 0.64 mm terminals

Dimensional characteristics

Part Numbers	No. of position	Colour
200 PL 32 9L1 008	32	Brown
200 PL 32 9L0 008	32	Black
200 PL 32 9L6 008	32	Blue
200 PL 32 9L8 008	32	Grey
