

Ejector Style Header

Series 8289

Available in industry standard sizes of 10-64 positions, they mate to AVX Series 8290 IDC sockets, as well as other industry compatible connectors. Solder or press-fit contacts are available in either straight or right angle formats. The four wall design and optional molded in polarizing keys ensure positive polarization without pin loss. Latch/eject levers can also be specified to suit the mating Series 8290 socket, either with or without strain relief. Stand-off are incorporated to facilitate flux washing and de-gassing.

TECHNICAL SPECIFICATION

Material:

Molding - UL94VO rated glass filled grey polyester

Contact - Phosphor bronze

Contact Plating:

Selective gold over nickel plating on the mating face, pure tin in IDC section

Latch/Eject Levers

Part Numbers when ordered separately.

Long (For 8290 socket with strain relief) 60 8289 6301 00 000
Short (For 8290 socket without strain relief) 60 8289 6302 00 000

Current Rating:

1 ampere at 70°C maximum ambient

Voltage Rating:

350V DC or AC peak

Contact Resistance:

Initially 10 milliohms maximum

Dielectric Withstanding Voltage:

1050 DC or AC peak

Insulation Resistance:

>1000 megohms

Operating Temperature:

-55°C to +125°C

UL File No. E90723

CSA File No. 1255749
