

DM6000 68 Position (Wide)

Part Number	Circuit
DM6000 - 01 - 68D	= Differential
02 - 68	= Single-Ended, Passive
02 - 68R	= Single-Ended, Active
02 - 68ADR	= Single-Ended, Active Deassertion
6868 - F40	= Single-Ended, FAST 40
6868 - F40SK	= Single-Ended, Active with SLICK Circuit, FAST 40

Note: All terminators are, 68 Position Male, .050", to 68 Position Female, .050", with 2-56 Thumbscrews.

Specifications

Contact Material:

Phosphor bronze, plated gold over nickel

Insulator Material:

Reinforced thermoplastic, rated UL 94V-0

Housing Material:

ABS thermoplastic, plated copper, nickel, chrome

Printed Circuit Board:

FLGFN B2B MIL-P-13949, rated UL 94V-0

Thumbscrews:

Lead alloy, nickel plated with thermoplastic cap
