## Get Acrobat

Series 66000 (non-illuminated) and 67000 (illuminated) can be supplied with up to 18 stations, including a square white pushbutton Part Number DW305 at each station. Contacts and ratings are the same as for Series 65000. Lamp sockets (67000) at each station accept 6 V to 28 V T 1-3/4 flange base lamps (not supplied). Mounts with 2 \#6-32 machine screws (not supplied). See page 322 for pushbutton data. Accessories include solenoid release, ganged assemblies, T1 lamp adapter, and metal barriers (between stations). PC and wire-wrapping terminals are also available. Contact Switchcraft.

## NON-ILLUMINATED DW MULTI-SWITCH SWITCHES

Switchcraft offers DW Multi-Switch switches, Series 70000 and 71000 with crossbar plungers which accept a wide variety of Switchcraft and industry pushbuttons. Contact Switchcraft for specifying assistance.

## SERIES DW40 COLOR INSERTS

Many unusual lighting effects can be created using DW40 color inserts. Molded from dimensionally stable, high-temperature plastic in six standard colors, inserts slip into standard Series DW300 pushbuttons providing unusual latitude in custom designing color and legend effects. With no wear from finger-tips, legend life is virtually unlimited.

| Part No. | Color | Part No. | Color | Part No. | Color |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| DW41 $\sim$ | Red | DW44 $\sim$ | Blue | DW47~ | Orange |
| DW43 $\sim$ | Green | DW45 $\sim$ | White | DW48~ | Yellow |

~ Special order only; Contact Switchcraft for price and delivery information.

## SERIES DW300 PUSHBUTTONS (DW305 supplied standard)

| Part No. | Color* | Part No. | Color* | Part No. | Color* |
