

USB 2.0 Hi-Speed to Serial atA (Sata) and IDE Adapter for 2.5in or 3.5in Hard Drives

MODEL NUMBER: **U238-000-1**

Description

Tripp Lite's USB 2.0 to SATA / IDE Adapter allows individual or simultaneous connection to either a Serial ATA or IDE drive (2.5" / 3.5" / 5.25"). You can also transfer data between a SATA and an IDE drive over the adapter. It provides a convenient, efficient way to format hard drives or transfer files without having to install them first. With the U238-000-1, any SATA or IDE drive can be conveniently turned into an external USB 2.0 storage drive. PC Clone EX Lite software is included to allow you to quickly backup and restore files. The backup button on the unit allows for quick backup of your files with the press of a button. PC Clone Ex Lite is compatible with Windows. The U238-000-1 is compatible with Windows, Mac, and Linux.
