Surface Mount Type

POSCAP

Series: TA

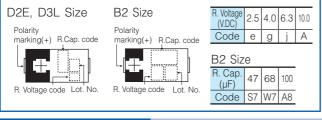

◆ This product is not intended for use in any driving application or any other critical functions that affect passenger safety. (e.g. Powertrain, ABS, Engine ECU, Airbag, etc.) If the intended use of TA/TV series products is for use in other automotive related applications, please contact our sales team. All requests are subject to approval.

Features

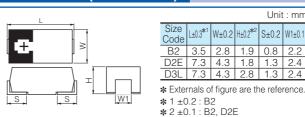

Guaranteed at 85 °C 85 %RH
RoHS compliance, Halogen free

Specifications										
Size code	B2		D2E	D3L						
Category temperature range	−55 °C to +105 °C									
Rated voltage range	4 V.DC to 10 V	.DC	2.5 V.DC to 10 V.DC							
Category voltage range	4 V.DC to 10 V	.DC	2.5 V.DC to 10 V.DC							
Rated capacitance range	47µF to 100 µ	μF	68 μF to 470 μF	150 μF to 680 μF						
Capacitance tolerance	±20 % (120 Hz / + 20 °C)									
Leakage current	Please see the attached characteristics list									
Dissipation factor (tan δ)	Please see the attached characteristics list									
Surge voltage (V.DC)	Rated voltage × 1.15									
	+105 °C, 2000 h, (B2 size: 1000 h) rated voltage applied									
Endurance	Capacitance change	Within ±2	±20 % of the initial value							
Litadiance	tan δ	≦ 1.5 time	es of the initial limit							
	DC leakage current Within the initial limit									
Damp heat (Steady State)	_+85 °C, 85 % to 90 %, 500 h, rated voltage applied									
	Capacitance change	Within +50 %, -20 % of the initial value (2R5TAE470M(F), 2R5TAE330M(F, I), 2R5TAE220M(F, 9))								
	Capacitatice charige	Within +40 %, -20 % of the initial value (Except for above model)								
	tan δ	≤ 1.5 time	es of the initial limit							
	DC leakage current	Within the	in the initial limit

- *1 Ripple current (100 kHz/ +45 °C), *2 ESR (100 kHz/+20 °C) *3 $\tan \delta$ (120 Hz/+20 °C) *4 After 5 minutes
- ◆ Please refer to each page in this catarog for "Reflow conditions" and "Taping specifications".

Design and specifications are each subject to change without notice. Ask factory for the current technical specifications before purchase and/or use Should a safety concern arise regarding this product, please be sure to contact us immediately 03 Jun. 2018

Guidelines and precautions regarding the technical information and use of our products described in this online catalog.

- If you want to use our products described in this online catalog for applications requiring special qualities or reliability, or for applications where the failure or malfunction of the products may directly jeopardize human life or potentially cause personal injury (e.g. aircraft and aerospace equipment, traffic and transportation equipment, combustion equipment, medical equipment, accident prevention, anti-crime equipment, and/or safety equipment), it is necessary to verify whether the specifications of our products fit to such applications. Please ensure that you will ask and check with our inquiry desk as to whether the specifications of our products fit to such applications use before you use our products.
- The quality and performance of our products as described in this online catalog only apply to our products when used in isolation. Therefore, please ensure you evaluate and verify our products under the specific circumstances in which our products are assembled in your own products and in which our products will actually be used.
- If you use our products in equipment that requires a high degree of reliability, regardless of the application, it is recommended that you set up protection circuits and redundancy circuits in order to ensure safety of your equipment.
- The products and product specifications described in this online catalog are subject to change for improvement without prior notice. Therefore, please be sure to request and confirm the latest product specifications which explain the specifications of our products in detail, before you finalize the design of your applications, purchase, or use our products.
- The technical information in this online catalog provides examples of our products' typical operations and application circuits. We do not guarantee the non-infringement of third party's intellectual property rights and we do not grant any license, right, or interest in our intellectual property.
- If any of our products, product specifications and/or technical information in this online catalog is to be exported or provided to non-residents, the laws and regulations of the exporting country, especially with regard to security and export control, shall be observed.

<Regarding the Certificate of Compliance with the EU RoHS Directive/REACH Regulations>

- The switchover date for compliance with the RoHS Directive/REACH Regulations varies depending on the part number or series of our products.
- When you use the inventory of our products for which it is unclear whether those products are compliant with the RoHS Directive/REACH Regulation, please select "Sales Inquiry" in the website inquiry form and contact us.

We do not take any responsibility for the use of our products outside the scope of the specifications, descriptions, guidelines and precautions described in this online catalog.
